

## TERMS AND CONDITIONS OF USE

Welcome to [www.epicscareer.com](http://www.epicscareer.com) (this “**Site**”), a web site operated by EPICS, LLC. The Site provides visitors and customers with access to content about personality and strength assessments through The Environment and Personality Intuitive Card Sort (“**EPICS**”). These terms and conditions of use (these “**Terms of Use**”) govern your general access to, and use of this Site whether or not you create an [Account](#). If you become an authorized licensee under an Account, these Terms of Use further govern your right to access and use EPICS.

You consent to and agree with the general application of these Terms of Use by virtue of accessing and using the Site. We reserve the right, at our discretion, to change these Terms of Use from time to time. Please check the Site periodically for such changes. By continuing to access and use this Site following the posting of changes, you accept and agree to the revised version.

These Terms of Use are a legal document, so clarity is important. We’ll use this section to let you know about some words that have special meanings whenever you see them here. The words “**you**” and “**your**” refer to each individual accessing this Site whether or not under an Account. The words “**EPICS**”, “**we**”, “**us**” and “**our**” refer to EPICS, LLC, acting on behalf of itself and, where applicable, its affiliates and third-party licensors. You also will notice that we capitalize certain additional words in these Terms of Use even though grammatical rules do not require. We do this because in the context of these Terms of Use, such capitalized words have specific meanings which can be found where they are first used, as indicated by bold text.

- 1. Rights and Conditions.** You may access and view the text, images, graphics, logos, audio, video and other information and materials made available on or from the content made available on this Site (the “**Content**”) on your computer or other Internet compatible device solely in connection with your personal, non-commercial use. You may also make single copies or print-outs of the Content in connection with your permitted use. You may not make use of this Site including any Content for any commercial purpose unless you have received our express written prior permission in advance. You acknowledge that any use of this Site or Content, except as otherwise permitted herein, is a breach of these Terms of Use, and may put you in violation of [Applicable Laws](#). We will not be responsible or liable for any loss or damage arising from your failure to comply with these Terms of Use.
- 2. Registration; Account Creation.** In order to use the features and functions and exercise your rights under the [License](#) granted below, you will have to register and create an account (an “**Account**”). In doing so, you will: (a) submit only complete and accurate information to include valid credit card data or data for such alternative automatic payment options as we may accept (the “**Account Information**”); and (b) maintain and promptly update your Account Information if it changes. During the registration and Account creation process we will, among other things, assign to you a private location on our web site under the [www.epicscareer.com](http://www.epicscareer.com) domain (each a “**Account Domain**”). You will be issued credentials, typically in the form of a unique user identification and a password, to authenticate your right to access the Account and Account Domain (collectively, your “**Account Credentials**”). Your commitment to maintaining the strict confidentiality of that information is a material condition of your right to access the Account Domain and use the features and functions. You must not allow others to use your Account Credentials or access your Account Domain and you agree to: (i) immediately notify us of any unauthorized use of your Account Credentials or any other breach of security related to the Account Domain or features and functions; and (ii) ensure that you log-off and exit from your Account at the end of each session. You are responsible for all activity that occurs under your Account Credentials. You are responsible for notifying us if you desire to cancel your Account.

3. **License Rights.** Subject to these Terms of Use and the limits set by the [License Metrics](#) (as defined below), we grant you a personal, revocable, non-exclusive, non-assignable, non-transferable license [to permit your employees and subcontractors] during the [License Term](#) to access, display and perform the EPICS features and functions from the Account Domain or via our mobile application solely to [take or administer the EPICS assessment] to be used in connection with your lawful internal business activities (the “**License**”). Your rights under the License also include the right to access, download, display and print the Documentation provided for the features and functions as reasonably required in connection with your authorized use. “**Documentation**” means the online help and user guides we may publish and update from time to time and make available to authorized licensees. In addition to the limitations set forth in these Terms of Use at the time of Account creation and each time you upgrade or add a feature or function to your Account thereafter, you will be informed of any limits (the “**License Metrics**”) applicable to the License Fee-level you selected.

4. **License Scope, Restrictions and Conditions.**

(a) **Scope.** The License rights are non-exclusive such that we may grant to others or reserve for our own use, rights that are the same as or similar to those we grant to you. All rights not expressly granted to you are reserved by EPICS LLC and its licensors. The License has a limited term as specified in the applicable License Metrics (the “**License Term**”) and will expire at the end of that License Term unless you renew. Each License is personal to you and thus is non-transferable, non-assignable and non-sublicenseable.

(b) **Restrictions.** Neither you nor any of your employees or subcontractors shall: (a) modify, translate, reverse engineer, decompile, disassemble (except to the extent applicable local laws specifically prohibit such restriction), or create derivative works based on, or improvements of the features and functions; (b) make any copies of the features and functions; (c) create Internet “links” to the features and functions or “frame” or “mirror” any features and functions thereon on any other server or wireless or Internet-based device; and (d) license, sublicense, sell, resell, transfer, assign, distribute or otherwise commercially exploit or make available to any third party the features and functions in any way.

(c) **Conditions.** You are responsible for the acts of and omissions of all employees and subcontractors who access and use the features and functions under the License. You acknowledge that the features and functions may contain features and functionality (including codes that act as keys to “lock” and “unlock” access to the features and functions) designed to render the features and functions technologically incapable of being used except as permitted by this terms and conditions of use. You must not remove, modify or obscure proprietary rights notices that we place on the features and functions or Documentation. This means that if you print any portion of the Documentation, you must reproduce and prominently display our copyright and similar rights notices. You must comply with all applicable local, state, national and foreign laws, treaties and regulations in connection with your use of the features and functions, including those related to data privacy, international communications and the transmission of technical or personal data. You also must notify EPICS immediately of any unauthorized use of the features and functions or any other known or suspected breach of security of the features and functions or your Account. You may not use the features and functions if you are a direct competitor of EPICS, except with EPICS’s prior written consent. In addition, you may not use the features and functions for purposes of monitoring its availability, performance or functionality, or for any other benchmarking or competitive purposes.

5. **Applicable Laws.** We control and operate the Site from within the United States of America (the “**USA**”). The Site is directed at visitors from the USA, 18 years of age and over. The English language version of these Terms of Use is the controlling version regardless of any translation you may attempt. We do not represent that this Site or its Content are appropriate or lawful for use in other locations outside of the USA or that our operation (including our processing and handling of [Submitted Materials](#)) will comply with all local laws. Users who choose to access this

Site from outside the USA or provide Submitted Materials as non-USA citizens, do so of their own initiative, and are responsible for compliance with all applicable local, state, national and international laws and treaties ("**Applicable Laws**"). These Terms of Use shall be governed by and construed in accordance with the laws of the State of Connecticut and the U.S. federal laws enforced within, without regard to principles of conflicts of laws. All proceedings relating to us, the Site or these Terms of Use shall be brought in the state or federal courts located in Connecticut and you hereby irrevocably consent to the personal and exclusive jurisdiction of such courts.

6. **Content.** Site Content will have a variety of origins, including information generated and provided by us and third parties. We do not provide any warranty that the Content is or will be:
- accurate or complete;
  - current (or that it will be updated);
  - error free (either technically or with respect to typographical errors); and/or
  - free from interruptions, computer viruses or other harmful components.

You may make use of the Content under the rights set forth in these Terms of Use but under no circumstances will we be liable for any loss or damage caused by your reliance on the Content. It is, therefore, your responsibility to evaluate the accuracy, completeness, or usefulness of any information, opinion, advice or other elements of the Content.

7. **Trademarks and other Intellectual Property Rights.** The logos, names and other similar marks (collectively, the "**Trademarks**") displayed on this Site are registered and unregistered Trademarks of ours and our licensors and may not be used unless authorized by the Trademark owner. Nothing contained on this Site should be construed as granting any such license or other right to use any Trademark displayed on this Site. As between you and us, we are the exclusive owners of all right, title and interest, including intellectual property rights (including copyrights, patents and trademarks), proprietary rights (including trade secrets and data base rights) and moral rights (including rights of attribution and authorship) throughout the world in and to this Site, its Content and its and their look and feel, design and organization and compilation. If you believe any content appearing on this Site violates your intellectual property rights, please give us notice so we can consider appropriate take down procedures.

8. **Social Media.** This section applies to everyone who interacts with our social media presence. You are therefore viewing this page because you either linked from the social media features on this Site (such as blogs and comments sections) ("**Internal Social Media Features**") or from comment sections, feeds and other elements of social media presence viewable on Facebook, Twitter, YouTube, Google+, LinkedIn or any of the many other available external third party social media platforms we utilize ("**External Social Media Presence**"). Social media platforms are places of public information exchange, and you should have no expectation of privacy. Specifically, paragraph 10 hereof does not apply to our External Social Media Presence. The sites and platforms that host our External Social Media Presence are not controlled by us and therefore their own, and not our privacy policies and terms of use will apply. The comments and opinions expressed by users on social media are theirs alone and do not reflect the opinions of the EPICS Parties (as defined below). Comments that some would consider inappropriate or offensive may appear on our Internal Social Media Features and on our External Social Media Presence and may remain there until they have been identified by us or called to our attention and we are able to work through the necessary procedures and technical processes to have them removed. If you see an offensive or inappropriate post or comment on our External Social Media Presence, you should report it to the operator of the applicable site or platform using the procedures they have established for that purpose. If you see such a post on Internal Social Media Features it should be reported directly to us via the contact information below.

9. **Submitted Materials; User Generated Content.** All information, ideas, suggestions, concepts or other materials submitted by you voluntarily or at our request, such as questions sent

to us via the "Contact Us" link or user generated content on our Internal Social Media Features or External Social Media Presence (collectively, "**Submitted Materials**") may be used by us in any lawful manner, provided that personal information portions of Submitted Materials will only be used as described in paragraph 10. By providing Submitted Materials you: (a) represent and warrant that you own or otherwise have all necessary rights to do so and that the Submitted Materials comply with Applicable Laws; and (b) you grant to us a royalty-free, worldwide, perpetual, irrevocable, non-exclusive and fully transferable, assignable and sublicensable right and license to copy, reproduce, modify, adapt, publish, translate, create derivative works from, distribute, perform, display, make, sell, export and otherwise use such material (in whole or part) and/or to incorporate it in other works in any form, media or technology now known or later developed. We cannot be responsible for maintaining any Submitted Materials that you provide to us, therefore you should retain all such data and information in your own records.

10. **Our Privacy Policies.** Our collection of certain information about you including personal information provided as part of the above described Submitted Materials, is subject to the Site's Privacy Policy (**see below**) which is incorporated herein by reference for all purposes.
11. **Prohibited User Conduct.** You warrant and agree that, while using the Site and the various features and functions offered on or through the Site, you shall not: (a) obscure, alter or destroy Trademarks or Content; (b) probe, scan or test the vulnerability of a system or network on, from or through the Site; (c) breach or defeat system or network security measures on, from or through the Site including authentication, authorization, confidentiality, intrusion, detection or monitoring; (d) interfere with or disrupt the Site or our business, including our systems, operations or network or telecommunications devices; (e) remove, modify or obscure any proprietary rights notices that we place on any component of the Site; (f) engage in spidering, "screen scraping," "database scraping," harvesting of contact or personal information, or any other automatic means of accessing, logging-in or registering on the Site, or obtaining lists of users or obtaining or accessing other information or features on, from or through the Site; (g) impersonate any person or entity or misrepresent your affiliation with any other person or entity; (h) transmit, distribute, disseminate, publish or store any information that is in violation of any applicable law or regulation or constitutes or contains false or misleading indications of origin, endorsement or statements of fact or is fraudulent, libelous, defamatory, abusive, obscene, indecent, or harassing, or that threatens or encourages injury to persons or property or infringement of the lawful rights of any party; (i) violate the privacy rights of any party under applicable law; (j) use any technology that is or reasonably should be known to contain malicious or destructive software code such as viruses or disabling devices; or (k) use the Site to send, relay, forward, bounce, reply, or otherwise route commercial or non-commercial unsolicited electronic messages (commonly referred to as "spam") or commercial electronic messages, even if previously solicited by the intended recipient.
12. **Third Party Web Sites.** You may see on the Site hyperlinks or pointers to other web sites maintained by third parties and we also may provide third party content on the Site by framing or other methods (collectively, "**Links**"). Links are provided for your convenience and information only. The fact that we provide a Link does not mean that we endorse, authorize or sponsor that web site or offering or that we are affiliated with the third party owners or sponsors. Neither the web sites nor parties to which a Link will bring you are under our control and as such we are not responsible in any way for their availability, content, advertising, products or materials, including any further links their sites may contain. This means that once you follow a Link, you are no longer subject to our Privacy Policy. You should, therefore, carefully review the privacy statements and other conditions of use and sale related to any Links. We reserve the right to terminate a Link at any time without notice.
13. **Liability and Indemnity.** THE SITE, ITS CONTENT AND ANY OTHER INFORMATION, FEATURES AND FUNCTIONS OR SERVICES ON IT ARE PROVIDED ON AN "AS IS" AND "AS AVAILABLE" BASIS. TO THE MAXIMUM EXTENT PERMITTED BY LAW, EPICS, LLC, ITS AFFILIATES AND ITS AND THEIR OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, MEMBERS, MANAGERS, SHAREHOLDERS AND REPRESENTATIVES ("**EPICS PARTIES**")

THE EPICS PARTIES, HAVE NO LIABILITY FOR ANY DIRECT, INDIRECT, CONSEQUENTIAL, PUNITIVE, SPECIAL OR INCIDENTAL DAMAGES, (INCLUDING CLAIMS OF DEFAMATION, ERRORS, LOSS OF DATA, OR INTERRUPTION IN AVAILABILITY OF DATA), OR OTHER INTANGIBLE LOSSES ARISING OUT OF OR RELATING TO YOUR USE OF, OR THE INABILITY TO USE, THE SITE, ITS CONTENT OR FEATURES AND FUNCTIONS AND SERVICES THAT YOU ACCESS THROUGH THE SITE. THESE LIMITATIONS SHALL APPLY TO ANY THEORY OF LIABILITY, WHETHER BASED ON WARRANTY, CONTRACT, STATUTE, TORT (INCLUDING NEGLIGENCE) OR OTHERWISE, AND WHETHER OR NOT THE EPICS PARTIES HAVE BEEN INFORMED OF THE POSSIBILITY OF ANY SUCH DAMAGE. You agree to defend, indemnify and hold the EPICS Parties harmless from any and all claims, liabilities, costs and expenses, including reasonable attorneys' fees, arising in any way from your use of this Site, or your breach or violation of Applicable Laws or of these Terms of Use. EPICS reserves the right, at its own expense, to assume the exclusive defense and control of any matter otherwise subject to indemnification by you, and in such case, you agree to cooperate with EPICS's defense of such claim.

14. **Term and Termination.** These Terms of Use apply to all users of this Site at all times until we supersede and replace them. We may at any time terminate, change, suspend, add to or discontinue any aspect of this Site itself, or your right to use it, including your Account, without notice or liability to you.
  
15. **Miscellaneous.** These Terms of Use and Privacy Policy are the entire and exclusive agreement between us and all visitors and users of the Site. Neither any course of conduct between the parties nor trade practice will modify these Terms of Use. We may assign our rights and duties under these Terms of Use to any party at any time without notice to you. You agree that regardless of any statute or law to the contrary, any claim or cause of action by you arising out of or related to use of this Site, these Terms of Use or the Privacy Policy must be filed by you within one year after such claim or cause of action arose or be forever barred. Should any provision of these Terms of Use be held to be unenforceable, that provision will be limited to the minimum extent necessary and the remaining provisions hereof shall remain in full force and effect. The waiver of any breach of these Terms of Use will not constitute a waiver of any other or future breach and will not act to amend or negate the rights of the waiving party. You may not assign your rights or obligations hereunder. The provisions of these Terms of Use pertaining to disclaimers, exclusion of damages, limitation of liability and indemnification shall survive termination. The word "including" is exemplary meaning "including, without limitation" or "including, but not limited to" unless otherwise indicated.
